

Coral Island Tour

Once you are in Phuket and looking for the island trip, we are the tour that you should not miss.

Coral Island has white sandy beach, crystal clear water and plenty of fishes and corals. Here, you will enjoy swimming, snorkeling and scuba diving in our large swimming area on the island.

Making a trip with us is very convenient. You will be picking up with our bus driver at your hotel to Chalong Bay from where our speedboat departs.

Within 15 minutes from the pier, you will arrive Coral Island and will be served with our cool welcome drink.

Snorkeling, live jacket and beach chair are provided during the trip except fins as we prevent the damage of coral reef.

After the activities; your delicious lunch will be served along with non-polluted sea breeze at our beach front restaurant.

Be private! If you would like to have private shower room and changing room, please do not forget to ask for the day-use of our air-conditioned bungalow.

We also provide you full bath-amenities with towels for two.

You feel just like staying home while enjoying the beautiful beach at the same time.

Includes: Round-trip minibus and speedboat transfer, English speaking tour guide, welcome drink, Set lunch and fresh fruit, Snorkeling gear, Life Jacket, beach chair and Tour Insurance covering upto 200,000 THB/person

CORAL ISLAND DIVING

Coral Island is the perfect place for diving as it has over hundred species of corals and many types of beautiful fish.

We offer three types of packages to suit your personal delight under PADI license.

We are the only dive operator on Coral Island that offers the pool dive in order to secure your safety.

Introductory diving package

The package is designed to serve a person who never dive before or does not have diving license.

Our dive master will teach most necessary basic of diving and test your dive in the pool.

If you are dexterous with the dive, then we can continue to the sea to experience the beautiful sea world.

Two drives package

The package is for the licensed diver only. First, our dive master will describe on each diving point in order to select your preferred dive point.

Then you will be accompanied with our dive master for beach dive and boat dive.

PADI open water package

Get your PADI open water license with our package. It takes only 3 days to finish the course.

Our dive master is English, Chinese and Thai speaking. If you would like to have another language speaking dive master, please kindly advise us 2 days in advance.

-  Staghorn Coral
